Re: 2020 Liaison Officer Conference

The 2020 PERS Liaison Officer Conference has been rescheduled from May 12, 2020 to October 6, 2020. We will keep the registrations of those who have already registered. If you paid and would like a refund, please email Pamela Young at pyoung@nvpers.org. A separate email will also be going out directly to those currently registered.

We will re-open conference registration at a later date and notify you when it's available.
