VII. APPEALS

- A. Staff provided background information on Mr. James Morganti's request for restoration of ineligible Holiday Pay wages for the calculation of his retirement benefit. Mr. Morganti submitted his retirement application to PERS on May 10, 2006, with an effective date of retirement of July 13, 2006. Mr. Morganti received benefits from July 2006 through March 2007. On April 13, 2007, a letter was sent to him stating that PERS had recalculated his benefit based on salary and service credit information received from his employer which reduced his monthly benefit. The adjustments were made to remove ineligible Holiday Pay wages that were reported in error by Metro.

Dave Levins, PMSA Treasurer, addressed the Retirement Board on behalf of Mr. Morganti and asked the Board to consider reinstating Mr. Morganti's retirement benefits to the higher amount which he had been receiving prior to the audit of Metro. Mr. Levins also stated that he attended retirement planning meetings sponsored by his employer that discussed holiday pay and that PERS representatives were present at those meetings.

Mr. Morganti addressed the Retirement Board and requested his benefit be reinstated to include all holiday pay since he attended retirement seminars provided by his employer that explained all holiday pay wages were subject to PERS' contributions, not just the holidays worked; he believed that he was exempt from the audit adjustments since he had retired prior to the completion of the audit; and he claims that if he had been informed of an audit that may have affected his benefit, he would not have retired until after the audit was complete.

Staff stated that under NRS 286.288, the System is responsible for any inaccurate or misleading information provided to any person or agency by an officer or employee of the System, but is not responsible for inaccurate or misleading information provided by any other person. Based on this statute, the System is not responsible for the inaccurate information that was provided by Metro. It is the responsibility of the public employer to comply with the reporting requirements as established by the Retirement Act and PERS' Official Policies. The public employer was notified of the audit in accordance with System practices.

Mr. Morganti is requesting to have ineligible holiday pay wages restored to his account which would increase his retirement benefit to the original amount he received. This would require staff to add wages to his account that are not subject to contribution as defined by NRS 286.025 and PERS' Policies 3.1. Such action would be in violation of the Retirement Act. Therefore, staff does not have the authority to comply with Mr. Morganti's request.

After discussion, on motion of Charles Silvestri, the Retirement Board voted unanimously to deny the request of Mr. James Morganti for restoration of ineligible holiday pay wages for the calculation of his retirement benefit.

VIII. DENIALS

IX. REPORTS

X. PUBLIC COMMENT

- A. An individual requested that PERS notify employers of an audit that could potentially affect their upcoming retirees. The employers need to know their numbers are under review and not to count on them until the audit is completed. Staff explained that PERS does notify employers when they will be audited. A suggestion was made to include a list of employers under audit in the PERS' quarterly Member Newsletter. Another suggestion was made to notify an officer of the public employer other than the liaison officer when an audit of the public employer is going to be performed.

A member of the System requested that PERS provide an in-depth training session on PERS' Official Policies to make sure all employers have a thorough understanding of the policies. The Operations Officer suggested the individual contact PERS so that the PERS' staff member assigned to that employer could assist with policy questions. PERS would also be happy to meet with the individual to discuss PERS' policies. A suggestion was also made to provide a policy review session at the annual PERS' Liaison Officers Conference.
