Approximately, 90% of our retirees enjoy the benefit of automatic deposit every month. Automatic deposit is an electronic transfer of funds directly to your bank account and available to you on the date other checks are being mailed.

To get started with your automatic deposit, simply complete an Electronic Funds Transfer (EFT) Authorization form. The Electronic Funds Transfer (EFT) Authorization form is available on-line at www.nvpers.org or by calling toll free 1-866-473-7768. All properly completed EFT authorizations submitted to our office by the 14th of the month will undergo the pre-note process at the end of that month or a future month as indicated by you. In the pre-note month, your benefit check will be mailed to the address listed in our system and the following month will be automatically deposited to your bank account. PERS will send a direct deposit notification to you in the mail every month that will verify the amount and date your benefit was deposited along with any deductions taken from your gross benefit.

Important Reminder: Each time you change your financial institution or account number you must complete a new Electronic Funds Transfer (EFT) Authorization.
